NOTES REGARDING API:

• You MUST complete the instructions for updating your SAC organization profile AND turn on the API in your Petstablished account for the API to correctly send data.

• Your organization’s EIN entry must match in both the SAC and Petstablished profiles for the API to correctly send data.

• Monthly data will be automatically uploaded to your data portal on the 1st of each month for the prior month (i.e. on August 1, July data will be uploaded).
  • We recommend you confirm that the data came through correctly during the first month the API is active by viewing the data in your SAC portal.

• Any updates to your data will be automatically uploaded to the data portal throughout the month. You can also reach out to your Petstablished representative to send data for a particular month/species at any time.

• You will still have access to upload a CSV or manually change data if you need to.

• You can opt-out of the API at any time by turning off the API in your Petstablished Account.
